

WINGS & TAILS

THE NEWSLETTER OF THE NO. 6 RCAF DUNNVILLE MUSEUM

Telling the stories of the British Commonwealth Air Training Plan, the No. 6 Service Flying Training School, and the RCAF Veterans, to the Communities of Canada.

A Letter from the President

We celebrated our 20th Anniversary in 2019 thanks to the efforts of our dedicated volunteers and the continued financial support of our members. This past year, we hosted more than 1,000 visitors, a record number, held our most successful yard sale to date, and had fun along the way with two musical programs and our annual Super Draw Elimination night.

Special guest, Armour Hanna, 99 years young, a Flight Instructor at the No. 6 SFTS, honored us with a visit during our Annual Open House and Car Show.

Special interest groups such as the Mustang Addicts of Canada, hundreds of young scouts and cadets, families, couples and individuals came through our doors. Two brothers from New Zealand were overwhelmed upon finding the records of their father who trained at the No. 6 SFTS. Most recently, a visitor from California stopped by. He is restoring a Harvard aircraft which his research showed was used training at the No. 6 SFTS.

My best wishes for an enjoyable holiday season and a happy, healthy and peaceful New Year.

Your President, Don Oatman

Christmas in the Canteen

*From the January 1943 issue of the "Skywriter".
[These decorations were all made and hung by Women's
Division members to give the canteen a festive atmosphere
for those remaining at camp for Christmas.]*

There were blue, gold, red and silver paper, folded to form rosettes, with a marshmallow for its centre; long white wool tassels, doughnuts with toothpicks stuck around them, and a cranberry at the end of each; strings of popcorn and pipe cleaners woven to form snowballs. A huge silver star topped the tree. The walls of the canteen were decorated with red pictures of Santa Claus, and huge red candles in blue candlesticks with yellow flames, all made from paper. Across one end was tacked up a red streamer paper in letters "Merry Christmas," and at the other end the same effect, forming the words "Happy New Year." In an aperture in the wall was a little scene of a snow covered village, blue sky and silver stars, with sleigh and reindeer and Santa Claus, all made from cotton wool and coloured stiff paper, and the reindeer of twisted pipe cleaners coloured brown....The windows of the canteen were draped at the top with white crinkly paper cut to form icicles, and paper doilies cut to form snow flakes on the panes of the window, while the sills were covered with cotton wool and sparkly crystals. In the archway was draped ropes of red, and over them strings of silver. Green and red ribbon made the centre from which big red and silver bells hung. The lamps were also covered with soft red paper and trimmed with white bows.

Did You Notice...

...a bright red addition at the entrance to the Museum? Volunteers John and Steve McKay refurbished and painted this fire plug headed for the scrap heap. It's not in working order, but was one of the original fire plugs at the No. 6 SFTS.

Some Moments To Remember in 2019

At our **Annual Open House** on July 6, we were privileged to host a visit from Armour Hanna who had been a Flight instructor at the No. 6 SFTS from 1942-1944 and to award him an Honourary Membership in the Museum. After leaving the Museum, Hanna went to the Dunnville Library to have his picture taken next to the Harvard Memorial. In the picture above, Hanna is surrounded by Museum volunteer Don Hart, President Don Oatman and Hanna's daughter, Jenn Maddigan, who arranged the visit.

Lest we forget...

In 2019, we lost Floyd Smelser, our last World War II veteran who was a member of the Museum in this part of the world.

We extend our best wishes to our last remaining member veteran Les Wearne in Australia who turned 100 in August.

Sgt. Wilson's Air Force Show performed as a fundraiser for the Museum on October 26. Direct from the Netherlands on their annual cross-Canada tour, the show took the audience back in time with the nostalgic tunes from the 1940s and 1950s. Museum volunteers Joanne Villeneuve and Ian Durand gave the show a "thumbs up".

The official celebration of our 20th Anniversary took place at the August 5 **Old-Time Bluegrass Jamboree**. Breezee Creek and Bits of Bluegrass entertained an enthusiastic audience. Distinguished guests included MP Diane Finley, MPP Toby Barrett, and Haldimand County Councillors Bernie Corbett and Rob Shirton. Certificates of Appreciation were presented to individuals and businesses who have provided continued support to the Museum.

Our fourth **Annual Yard Sale** on the opening weekend of the 2019 Summer Season was our most successful yard sale to date!

Elimination Draw Night, August 24, had a wild and whimsical character. The ladies entertained the audience with horsey high jinks. And the men took to the "catwalk" in specialty aprons. The aprons were then auctioned off to the audience.
